

Thursday 12th September 2019 National  
Conference Centre, Birmingham

# FUTURE OF REFRIGERATED TRANSPORT

IN ASSOCIATION WITH:

Come and join us as we bring together the major decision makers across the UK cold chain. Our focus is on the future of refrigerated transport, this must attend event is a forum to learn and share insights into how different business leaders are facing up to the challenges and opportunities for tomorrow. Our speakers include some of the most senior figures in our industry talking about their strategy, to leading academics and innovators. The place to be for anyone that wants to learn and contribute to making our industry fit for the future.

## INNOVATIONS WORKSHOP & WEBCAST

Before the main conference opens, join us for a whistle stop tour of the latest developments in refrigerated transport technology.

Partnership and exhibition opportunities are available for this event, please contact [info@coldchainfed.org.uk](mailto:info@coldchainfed.org.uk) for details about how to get involved.
