

COLD CHAIN LIVE!

14th – 15th SEPTEMBER 2023 / ACC LIVERPOOL

THE DEFINITIVE CONFERENCE FOR THE COLD CHAIN

In 2022 Cold Chain Live! was a sold out, smash hit. The event attracted more than 300 in person delegates and received excellent feedback. We are anticipating 300+ delegates at this two day event, drawn from senior executives and business owners within the cold chain together with representatives from companies that supply goods and services to them.

Delegates will experience a main stage programme hosting some of the most senior figures from within the cold chain and related industries, as well as experts from government and academia. Plus specialist breakout zones – Logistics, Transport, Energy and Compliance – where experts will lead discussion and share inspiration and ideas.
