# EVENT PROGRAMME & AGENDA

<b>9:00am</b>	<b>EXHIBITION OPENS</b>
<b>SESSION ONE: COLD CHAIN AND NET ZERO</b> <p>The transition to a net zero economy is at a pivotal moment. With a faltering economy and just 25 years to go, will the government remain fully committed to its pioneering 2050 target? In this session we look at the current landscape for net zero, and hear how one of the biggest customers of cold chain is approaching sustainability and resilience.</p>	
<b>10:00am</b>	<b>WELCOME</b> – Justin Rowlatt, BBC Climate Editor: Net zero in 2026: is the government still committed?
